He said dler, can be made with a large shoe box his finances at the present time were in distress, but that in time they would come and his promises would come true, cutting a hole a little larger than the come and his promises would come true.

Howard is a new comer in the city and only came here to assist in the management of the Advance. The hotel bill for which Howard is

arrested is two weeks old.

# Petitioned Into Bankruptcy.

An involuntary petition in bankrupt-cy against the Vermont Last Block com-in a dark room. The infertile egg when pany of Brattleboro was filed Saturday held before the small hole with the lamp n the office of Clerk F. S. Platt of the lighted inside the box will look perfectly United States court. The petitioners clear, the same as a fresh one, while a fertile egg will show a small dark spot bolds a claim for \$639, LaForest Baker of Newfane, \$267, and F. D. E. Stone of little blood veins extending in all directions. Brattleboro, \$195. It is alleged that the tions, if the embryo is living; if dead, Vermont Last Block company committed and the egg has been incubated for at an act of bankruptcy in November 1916, least 46 hours, the blood settles away bedstead with 3-piece mahogany by giving Charles G Staples of Brattle- from the embryo toward the edges of boro, in trust for the Vermont National the yolk, forming in some cases an irbank, chattel mortgages to secure two regular circle of blood known as a blood notes of \$10,000 each and one of \$8,400. ring. Eggs vary in this respect, some It is further declared that the concern showing only a streak of blood. Eggs committed a second act which rendered vary in this respect, some showing only them insolvent on February 5, 1917, by a streak of blood. All infertile eggs giving the Brunswick Balke Calendar should be removed at the first test. The company a chattel mortgage.

### CAPTIVES ON YARROWDALE

#### Have Damages Claim for Illegal Detention in Germany.

Washington, March 12.-The Americans who were taken from various ships by the German raider and sent on the steamer Yarrowdale to Germany, where they were illegally held more than three months as prisoners and released only last week, will be able to present claims for damages against Germany. Good grounds for pressing such damage suits exist, in the opinion of the state department officials, who said Saturday the Americans had suffered unjustifiable detention. It will not be possible to take any action, however, until the war is

State department officials feel that Babbitt's Cleanser, Babbitt's 1776 while the bitterness caused by the Yar-rowdale detentions has been lost in the general situation with Germany, the men w. Jackson Co.'s Coal Office for a CEDARpensation commensurate with their suf ferings. All reports from the Yarrow dale men have indicated that they experienced actual danger while being tak-en from the south Atlantic to Swinemuende and great physical discomfort in Germany through lack of adequate

clothing and food. A full record of the Yarrowdale case and the men involved is being kept by the department for use in case any of the men bring forward claims. While it is uncertain that the state department would itself initiate such claims, it would press them in behalf of the individuals concerned if presented to them.

#### SITTING HENS NEED CONSIDERABLE CARE

Poultry Specialists of Department of Agriculture Make Suggestions to Poultry Raisers.

The sitting hen, which is used most generally for incubation purposes on the hatching eggs. To a great extent the care given a sitting hen plays an important part on the number and condition of the first one in that locality to do so. S. department of agriculture make the

following suggestions:
If several hens are sitting in the same room, see that they are kept on the nests, allowing them to come off only once a piled too near the furnace and became overheated. Damage to the building and by loss due to the fire reached \$55.

Capt. George White, a native of Shel
Capt. George White, a native of Shelchilling, but if they do not go back in half an hour in ordinary weather, they half an hour in ordinary weather, they groups of from 4 to 6 at a time. The eggs and nests should be examined and cleaned, removing all broken eggs and washing those that are soiled; in the latter case the soiled nesting material should be removed and clean straw adding if the voters will appropriate \$3,500 ed. Nests containing broken eggs that to equip the three hose houses with the hen is allowed to sit on soon become motor driven combination chemical and infested with mites and lice, which cause the hens to become uneasy and leave the the sum of \$4,000 for the purchase of nest, often causing the loss of valuable a three-ton motor truck to be used in sittings of eggs. In mite-infested nests, the hen, if fastened in, will often be found standing over rather than sitting on the eggs. Many eggs that are laid in The boy scouts of St. Luke's Episcopal the late winter and early spring are inchurch in St. Albans took a census of all fertile. For this reason it is advisable to set several hens at the same time. After the eggs have been under the hens from five to seven days, the time depending somewhat on the color and thickness of the shells-white-shelled eggs being easier to test than those having brown shells-they should be tested, the nfertile eggs and dead germs removed, and the fertile eggs put back under the
